Murray Bridge Showgrounds, 113 Princes Highway, Murray Bridge SA 5253

Welcome

The Murray Bridge Agricultural & Horticultural Society (MBAHS) is a not-for-profit organisation that manages the Murray Bridge Showgrounds and runs the Annual Show. Our Annual Show is a great platform including over 4500 competitions in more than 30 different categories. Our entire show is run by volunteers and through contributions from the greater community. It provides a tremendous opportunity for anyone to showcase our region and the Murraylands as a whole.

The Show provides sponsors with a fantastic opportunity to connect with consumers. As a sponsor you gain exposure to more than 25,000 people in and around the greater Murray Bridge Region. Our Show exhibitors and competitors come from our local region, from the greater South Australia and we also draw interstate competitors.

Tailor-made packages to gain maximum exposure are endless. We are certain that once you have taken a look through our various Show Sections you will find quite a few opportunities that can capture your specific target market. We utilise a wide range of media and promotional opportunities. We have a strong radio presence on both FM and AM bands and printed media include the Murray Valley Standard, Courier, Southern Argus and Adelaide Hills Magazine. We also circulate fliers targeting specific groups in our community and run an excellent website and popular Facebook page.

In addition to this we also have the Showbook which is circulated to over 800 households (predominantly in the region), to members and to competitors who live interstate.

Sponsorship will provide your business with great exposure and positive association with a great event. We have attached our sponsorship options with their associated benefits. Normally your sponsorship would be aligned to your preferred area: eg fireworks, Sections, Classes or Awards. However, as Covid 19 has forced the closure of our Show for 2020, your sponsorship will help the Show Society prepare for the 2021 Murray Bridge Show, repairs and maintenance, redevelopment programs, office costs, water and electricity bills, etc

You will also have the satisfaction of knowing that your assistance helped the MBAHS to make it through the Covid 19 pandemic and emerge stronger and more prepared for the years ahead.

Sincerest appreciation

Anna Scheepers
