Murray Bridge Showgrounds, 113 Old Princes Highway, Murray Bridge SA

Welcome

The Murray Bridge Agricultural & Horticultural Society is a not-for-profit organisation who manage the Murray Bridge Showgrounds and run the Annual Show. The Annual Show is a great platform including over 4500 competitions in more than 30 different categories. The entire show is run by volunteers and through contributions from the greater community. The show provides a tremendous opportunity for anyone to showcase our region and the Murraylands as a whole.

The Show provides sponsors with a fantastic opportunity to connect with consumers. As a sponsor you gain exposure to more than 25,000 people in and around the greater Murray Bridge Region. Our Show exhibitors and competitors come from our local region, from the greater South Australia and we also draw interstate competitors.

Tailor made packages to gain maximum exposure are endless. We are certain that once you have taken a look through our Sections you will find quite a few opportunities that can target your specific target market. We utilise a wide range of media and promotional opportunities. We have a strong radio presence on both FM and AM bands. Printed media include the Murray Valley Standard, Courier, Southern Argus, Adelaide Hills Magazine and Messenger papers.

We also circulate fliers targeting specific groups in our community and run an excellent website and popular Facebook page.

In addition to this we also have the Showbook which is circulated to over 800 households predominantly in the region and it is also sent to members and competitors who live Interstate. Sponsorship will provide your business with great exposure and positive association with a great event. We have attached our sponsorship options with their associated benefits. We also welcome targeted sponsorship specific to Sections, Classes or Awards. We also welcome suggestions for Competition Opportunities. If you just can't decide what to pick, we will gratefully accept general donation to the Show Society where the funds will be used to support the general entertainment, administration, maintenance and redevelopment programs we run. Our show would appreciate this targeted sponsorship as this is a great shared experience for your company and the community.

2015 saw the Society revive the fireworks display at the show. This is a fantastic opportunity for your company to connect with the community with a big bang! Our Stage for events also has opportunity for advertisements to be placed upon it to promote and thank your business should you wish to target this style of sponsorship.

We welcome any contribution to this aspect of our entertainment. All companies and individuals sponsoring the fireworks will be acknowledged in all media releases, fliers and other print, radio and electronic media promotions regarding the fireworks. Fireworks are a great crowd-pleaser and people consistently notice the providers and supporters of these events.

Please complete the Donation/Sponsorship Remittance Advice at the end of this kit and forward it to the Show Office at the above address.

Thanking you for your time and consideration.

Kindest Regards
